

LLANFAIR CAEREINION BOWLING CLUB ANNUAL REPORT

Introduction

This report covers the main events of 2020 which has been dominated by the Covid 19 restrictions for most of the year. The Club has two governance officers which are Robert Robinson Club Secretary and Carol Issac Club Secretary. There was not Chair during the year.

Playing

All matches were cancelled due to the Covid 19 restrictions with only a very few friendly games played within the rules set down by Government.

The Greens

The club members have done a tremendous job on the greens during the season. With no matches played the greens have recovered well and in my view look better than they have done for many years. Well done to all involved.

Grants

Grant aid of £10,000 was received from the Covid 19 emergency fund. A further grant application for £1,000 has been submitted and the result awaited.

Works to the buildings

A professional fire risk assessment of the building has been completed and some minor works completed to comply with current legislation. There has been some new emergency lighting and smoke alarms installed. An electrical certificate was completed at the same time. Full details are posted on the web site.

Web Site

The Web Site has been kept up to date and all risk assessments and Covid 19 documents posted on the site in the documents section.

Covid 19

All Covid 19 restrictions have been complied with. There has been a track and trace chart on the way into the club and suitable sanitiers in place.

Restrictions on numbers and on the use of the building have been in place.

Members have been kept up to date with restrictions via email and the web site.

The Annual Meeting due to take place in November 2020 has been cancelled.
